

Who is Shanghai Century curtain wall engineering?

Pour enthusiasm for urban construction! Elite company established with dedication and commitment. Shanghai Century Curtain Wall Engineering Co., Ltd. ("Century"), established in 1998, is a modernized and intellectualized enterprise with double Grade-A Certification in curtain wall and window & door industry.

Why should you choose a PV curtain wall system?

You enjoy high-profit margins with our wide range of PV Curtain Wall. Impress your customers with a Curtain Wall System capable of generating power efficiently. You build trust among your customers with a track record of quality products. The temperature control functionality enhances indoor comfort.

What is a photovoltaic curtain wall?

They enhance thermal comfort and help prevent the greenhouse effect. A standard curtain wall offers no return on investment. In contrast, a photovoltaic curtain wall not only insulates the building but also generates power for over 30 years. This reduces monthly electricity bills and ultimately pays for itself over time.

Does Photovoltaic Glass fit in a curtain wall?

No, the BIPV photovoltaic glass structurally does not differ from other types of conventional glazing. Therefore, it is integrated into the building envelope (curtain wall, facade, or skylight) like any construction material. What solar control and comfort advantages does photovoltaic glass offer in a curtain wall?

What is a curtain wall?

Curtain walling refers to a non-structural cladding system made from fabricated aluminum, commonly used on the outer walls of tall multi-storey buildings. This lightweight material offers ease of installation and can be customized to be glazed, opaque, or equipped with infill panels.

Why do you need a curtain wall system?

Impress your customers with a Curtain Wall System capable of generating power efficiently. You build trust among your customers with a track record of quality products. The temperature control functionality enhances indoor comfort. You assure quality and performance to your customers.
