A wide range of shipping containers are available for sale through the National Containers network of container companies. So if you are interested in buying an as-is or converted container, please complete our online form or give us a call, and we will connect you with a leading container specialist in Bloemfontein.

Where can you find Container Park in South Africa?

With branches across Bloemfontein, Kimberley, Potchefstroom, Pretoria, Rustenburg, Upington, Welkom, and Witbank, Container Park ensures its services are easily accessible nationwide. Their commitment to high-quality service and customer satisfaction makes them a formidable name in the container industry.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa: Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.

Why do businesses trust Bloemfontein?

That's why businesses throughout South Africa trust us for their shipping and container needs. We have been Bloemfontein's one-stop shop for buying, leasing, and converting shipping containers for four decades. This long-standing commitment is a true reflection of our hardworking team's dedication to serving you.

Why do you need a cabotage service in Bloemfontein?

Moreover, their renowned transport services extend across Bloemfontein, Kimberley, Upington, and Welkom, ensuring efficient road and rail transportation with specialized crane trucks. The innovative cabotage option further enhances convenience, enabling customers to rent a container in one location and return it in another.
