

Is a solar installation legal in South Africa?

In summary, this recognises the solar installation as legal and meeting all the requirements as set out by PV Green Card and SAPVIA (Photovoltaic Association of South Africa). This document can in turn be used as proof of compliance for insurance, finance, and regulatory purposes.

Who can install Marley SolteQ solar tiles?

Only recognised PV Green Card and SolteQ Approved Installers or Agents may purchase and install Marley SolteQ PV Solar Tiles. They must use their own approved roofing contractors for the installations.

How does Marley SolteQ PV tile compare to a standard-PV-module?

The Marley SolteQ PV Tile offers unparalleled efficiency compared to a standard PV module. Due to its light-trap prism glass, it starts generating power earlier in the morning and longer during twilight, while a conventional solar panel is still 'sleeping' or 'shutting down'.

At West African Decor Tiles the hallmark is: Where Quality Tiles Cost Less. This we have strived to deliver and this has been our success story. Our clients have never left us with
